

THE PHYSICAL UNIVERSE DOES NOT EXIST INDEPENDENT
OF THE THOUGHT OF THE PARTICIPATOR

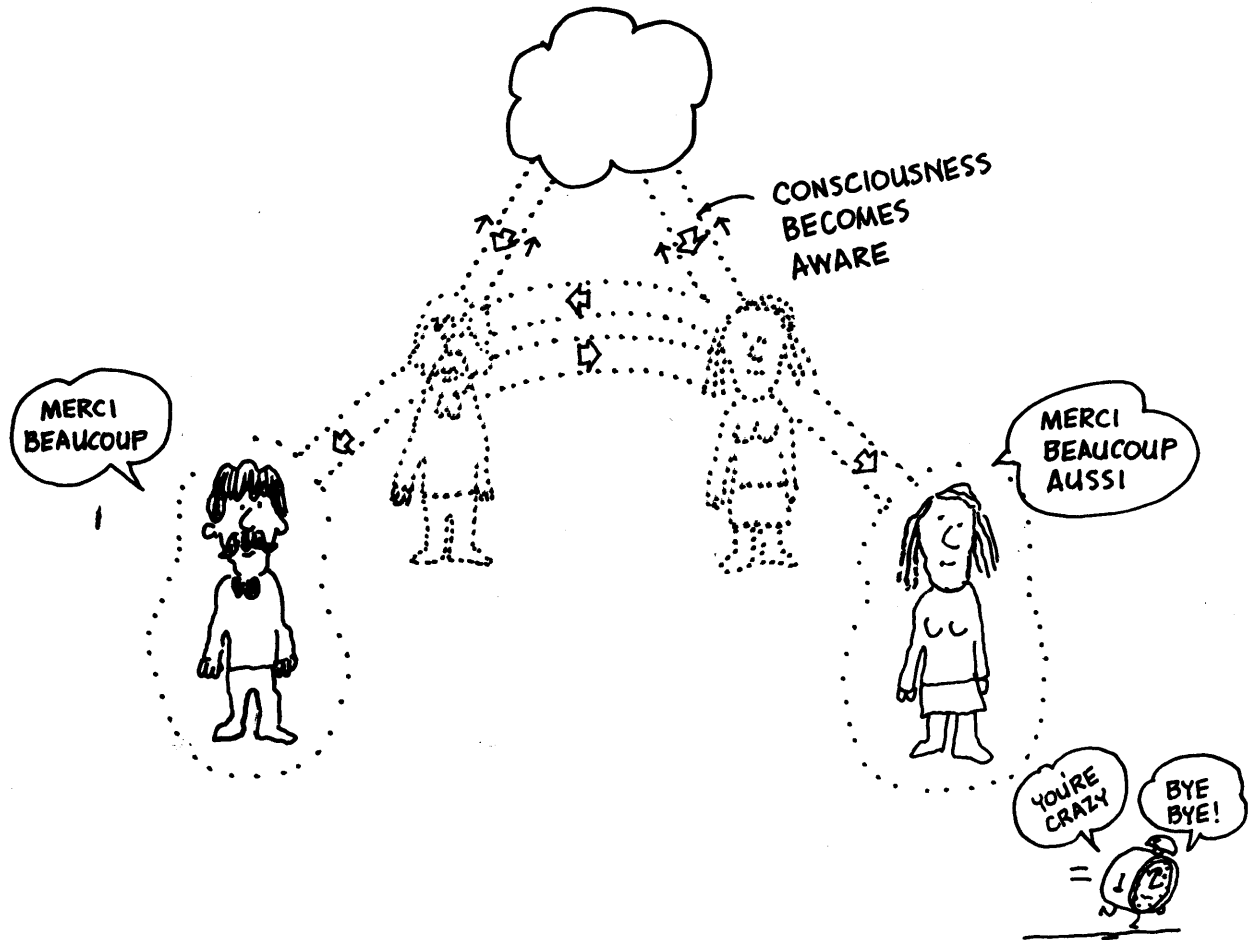

NOTE

(A)

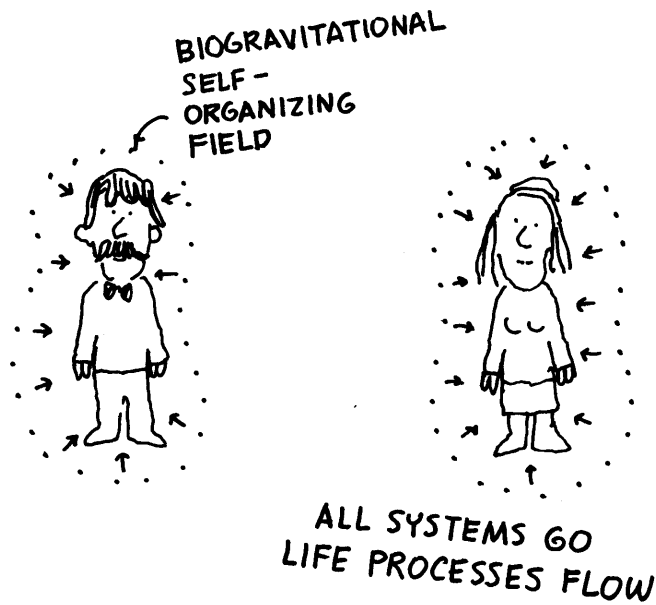

(SEE "SCIENTIFIC COMMENTARY" IN BACK OF BOOK)

WE CONSTRUCT OURSELVES AND WE CONSTRUCT EACH OTHER

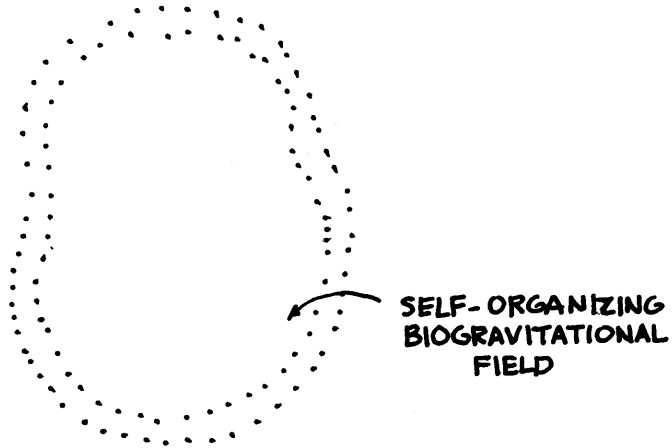

TIME SEQUENCE HAS NO MEANING, AS THESE CONSTRUCTIONS HAPPEN BEYOND TIME

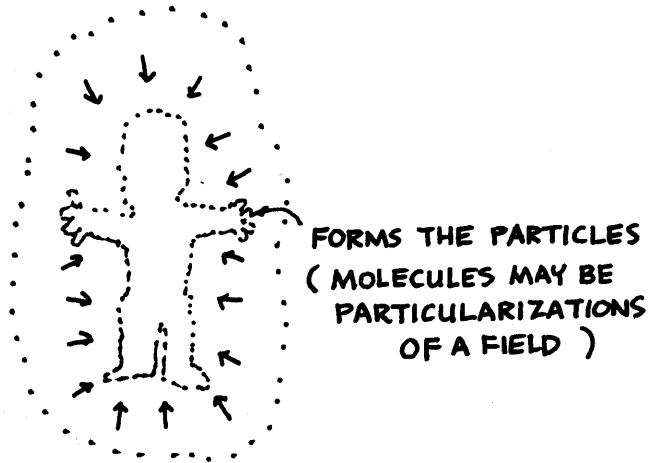

AS PERCEIVED FROM WITHIN SPACE-TIME, THESE
UNITS ARE SELF-ORGANIZING

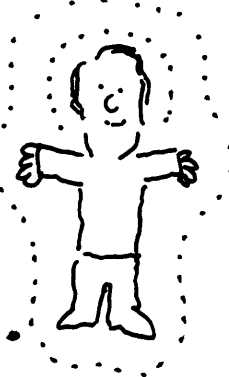

AS VIEWED FROM OUR LEVEL OF PERCEPTION,
A SELF-ORGANIZING FIELD MAY GENERATE AN OBJECT

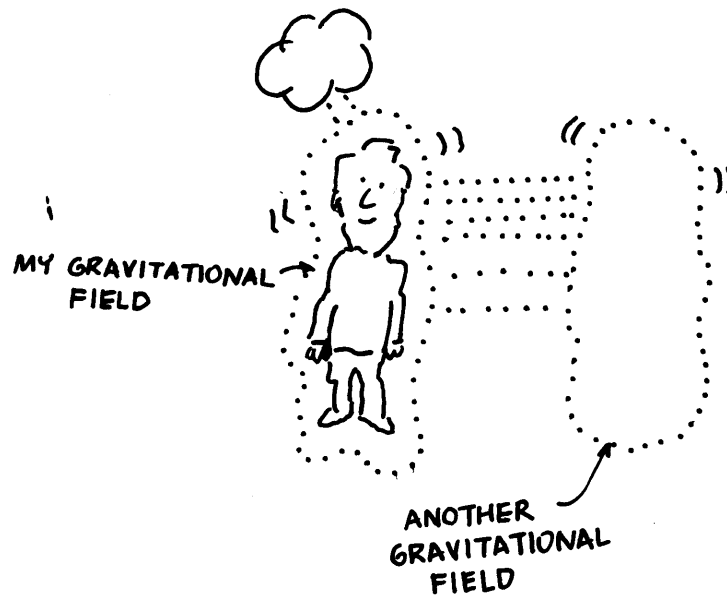

BIOGRAVITONS
WITH MASS OF
ONE ELECTRON VOLT,
SCALE OF $\frac{1}{10,000}$ CM.
CAN BE SELF-
ORGANIZING

THE
OBJECT
DOES NOT
GENERATE
THE
FIELD

CAN CONSCIOUSNESS INFLUENCE THE STRENGTH OF BIOGRAVITATIONAL FIELDS?

WE CONSTRUCT OUR OWN INDIVIDUAL REALITIES

ALL WE CAN THINK OR PERCEIVE
IS BROUGHT INTO AWARENESS WITH
OUR INDIVIDUAL THOUGHTS
